Improve Your Comfort!

**Save up to 30% on your
utility bills!**

Consumers who purchase and install specific products, such as energy-efficient heating and cooling equipment in existing homes can receive a tax credit for 30% of the cost, up to \$1,500, for improvements "placed in service" starting January 1, 2009, through December 31, 2010.

In addition to the Federal Tax credits, Illinois is now offering substantial rebates on high-efficiency heating and cooling until the allocated funds are depleted.

Trane Consumer Instant Rebate up to \$1000.00 ends June 15, 2010.
